The Sangam College of Nursing and Health Care Education invites qualified individuals to apply for the following position, based in Labasa.

1. **ASSISTANT LECTURER: DEPARTMENT OF POPULATION HEALTH**

The main purpose of this position is to teach the Population Health course, one of the four courses in the undergraduate program. Extensive experience in Primary Health Care and Public Health is highly desirable.  In addition, the incumbent will be required to conduct tutorials, supervise students in the clinical areas when required, take part in the various academic obligations, and undertake any other duties assigned by the College from time to time.

## Minimum qualifications required for the above positions:

A Bachelor of Nursing Science [BNSc] and a postgraduate qualification in Public Health is desirable for the Assistant Lecturer position, with demonstrated compliance in the following:

- o Minimum of eight (8) years full-time professional nursing clinical experience, preferably in public health
- o A teaching certificate or evidence of teaching experience is desirable.
- o Hold a current license and good standing to practice as a Registered Nurse in Fiji, or be eligible to obtain a Fiji Registered Nurse license.
- o Ability to work effectively as a team member.
- o Demonstrate excellent verbal, written, and electronic communication skills.

**Remuneration:**

**Salary range:  $30,000 - $40,000**

A salary package will be discussed with the successful candidate, depending on qualifications and experience. Additional information for this position can be obtained from the Head of School (Undergraduate) on telephone number 8818691/8818692.

Applications should include a detailed curriculum vitae, an original birth certificate, academic transcripts, and contact addresses of three academic referees, sent to:
